## PROFILE

I am a dedicated and detail-oriented IT professional and lab technician with hands-on experience in web development, networking, and laboratory operations. My background includes experience in front-end and back-end technologies, networking principles, and lab management. I am passionate about creating efficient digital solutions and ensuring smooth technical operations. A fast learner and a team player, I am always eager to expand my knowledge and contribute to innovative projects.

## WORK EXPERIENCE

### Atachee, Ipoint Technologies

SEPTEMBER 2022 – NOVEMBER 2022

Web development

- Created an e-commerce website for jewelry purchases using HTML, CSS, JavaScript, and Bootstrap.
- Developed an advertising website for a restaurant using HTML, CSS, JavaScript, and Bootstrap.
- Managed and ensured all websites were up to date and functioning as expected.

### Lab Technician – USIU.AFRICA

September 2nd 2024 –  
December 13th 2024

Lab Technician

- Assisted in the daily setup, maintenance, and troubleshooting of lab equipment and software.
- Provided technical support to students and faculty, including resolving hardware and software issues.
- Managed the lab's inventory system, ensuring equipment and resources were properly accounted for.
- Assisted in conducting technical workshops for students on various IT-related subjects.
- Maintained the lab network infrastructure, including installing and configuring routers, switches, and ensuring network security.
- Collaborated with the IT department to optimize lab processes and improve user experiences.
